## Church Work & Cleaning Day

On Saturday, May 13 many gathered to make repairs and do deep cleaning at the church. Much was accomplished:

Repaired the door to the Fellowship Hall

Cleaned west stairwell walls

Replaced many bulbs

Cleaned the front doors

Cleaned baseboards

Washed sanctuary windows

The front sign lights were replaced with new LED fixtures so they should burn brightly for years

And much more ...

Thanks to all who were able to participate. The next gathering is July 15 starting at 8:00 AM.

These are great events for doing Christ's work and fellowship. Like many Christian disciplines, we often receive more than we give when we practice them.

attender at church already. Also, we witnessed an exciting sacrament when Julia Rose John was baptized on May 7th. Her brother was anxious to not be overshadowed and made

known his love of PopPop, Grandfather Kleinert. All greatly enjoyed seeing this beautiful young baby joined to our church and The Church.

## News About Our Missionaries

Matt and Carly Chase moved into the new permanent PCA Missions to the World residence in Chiba, Japan. We don't have any new pictures yet but have been assured that the move went well and they are working hard to complete the renovations. They had a date certain requirement for vacating their former residence so had to move into the new residence before the renovations could be completed. Please pray for their move, the new home and their ministry when praying for all our missionaries.

## A New Activity at Redeemer Church

On Friday, May 19th Bekah Miller was hostess and Swing Dance Instructor at a Swing dance gathering in Redeemer Fellowship Hall. While this is not a Redeemer sponsored event, Bekah Miller, as a member in good standing, was granted permission to use our facility and many Redeemer members as well as non-members participated. The next Swing Dance is scheduled for Saturday, July 8. One hour of Swing Dance instruction will begin at 7:00 PM, followed by open social swing dancing. No experience is necessary, all levels of dance expertise are welcome. Both experienced dancers like Ray and Joyce Gilliland and novices like Sam and Eee Wilsey had a great evening at the 1st event.
