

## REDEEMER CHURCH

As stated in the information email, to sign up for a Community Group, email the contact person for the group you would like to join. Community Groups at Redeemer Church supplement corporate worship by providing opportunities for people to get to know one another on a deeper level. If you have further questions or would like additional information, please contact Pastor Jason Piland, [jason.piland@redeemerohio.org](mailto:jason.piland@redeemerohio.org).
